PARISH WORKBOOK  
ST. JOHN THE BAPTIST - GILDEHAUS

# ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

# ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.  
Amen.

## GUIDING TEXTS

### REV. 21:3-5

*I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.*

*He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”*

*The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”*

## GUIDING TEXTS EVANGELII NUNTIANDI (#18)

*For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."*

*But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.*

## GUIDING TEXTS JOY OF THE GOSPEL (#27)

*I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.*

OUR DIOCESE  
ARCHDIOCESE OF ST. LOUIS

# ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

# OUR TERRITORY FOR EVANGELIZATION

# OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

# OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

## The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

## The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

# WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

# FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
  - Only 40-50% of our elementary school children live in the boundaries of their parish school.
  - The cost to educate our students continues to outpace tuition increases.
  - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

# OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

\* Excluding retired priests resident in parishes

OUR PLANNING AREA  
PLANNING AREA #12

# OUR TERRITORY FOR EVANGELIZATION

# ABOUT OUR PLANNING AREA

- The planning area is in the Counties of St. Charles, Franklin and Warren with a small portion to the east in St. Louis County and Jefferson County. The geography of this area is defined by Interstate 44, Highway 50 and Routes 94, 47, 100 and 185.
- Located in Washington deanery. There are 15 territorial parishes, 1 mission and 8 elementary schools. Currently there are 14 diocesan priests assigned to this group.
- There is a cluster of parishes around Route 47 that are within 5 miles of each other and two of the larger parishes are within 1.5 miles. Though the three parishes north of the river are five miles from each other, inclement weather makes travelling in this area difficult and the bridge into Franklin County has been known to be impassible with flooding or ice.

# OUR PLANNING AREA IS AGING BUT HAS A HIGHER THAN AVERAGE CATHOLIC POPULATION

- Total population in the planning area in the 2020 census was up 5% from 2010.
- The population 55 or older increased from 21% in 2000 to 32% in 2020.
- 24% of the population is registered Catholic, which is higher than the Diocesan average of 18%.
- Median household income in the area is \$62,672, which is above the archdiocesan average of \$60,700.

OUR PARISH  
ST. JOHN THE BAPTIST - GILDEHAUS

# ABOUT OUR PARISH

- Historic St. John the Baptist parish began in 1839 as Jesuits from St. Francis Borgia would provide Mass and sacraments for the fledgling parish. In 1858, a resident diocesan priest was assigned. The parish school was opened in the 1870s and has continued to this day. Though the area is largely rural, Highway 100 and Interstate 44 provides easy access to employment in Washington or St. Louis. Though growth in the area has slowed, parish membership may be at its highest level ever.
- This is a parish of 520 households and 90 students in the parish school.
- The parish church was built in 1863 and seats 200. The parish operates its own cemetery.

# ABOUT OUR PARISH

- Population growth has slowed and the parish population is aging. There is growth on the western end of the parish, but most of those Catholics join parishes in the city of Washington.
- The parish has been growing with strong baptisms but school enrollment is struggling and PSR enrollment is declining slightly. Mass attendance pre-COVID was strong.
- The parish has strong financials with growing reserves, but the parish invests well in excess of the recommend amount in the parish school.

# OUR PARISH AREA HAS SEEN GROWTH SLOW IN THE LAST COUPLE OF DECADES

- Though population in the area has slowed considerably, population is still up 50% over the past 3 decades.
- The area is aging somewhat as the percent of the population that is over 55 has grown from 19% to 33% in the last two decades.
- Median household income is \$75,500 which is above the archdiocesan average of \$60,700.
- 25% of the resident population is Catholic which is above the archdiocesan average of 18%.

# WHERE OUR PARISHIONERS & CATHOLICS LIVE

- Red dots are parishioner households; blue dots are Catholic households that are registered at a different parish.
- There are more Catholic households in the boundaries (596) than there are parishioner households (527).
- This means that more Catholic households leave the boundaries to affiliate elsewhere than come into the parish from outside the boundaries.
- Many Catholic households at the western edge of the boundaries along Highway 100 have chosen to register at one of the Washington parishes: 62 at Our Lady of Lourdes and 56 at St. Francis Borgia.

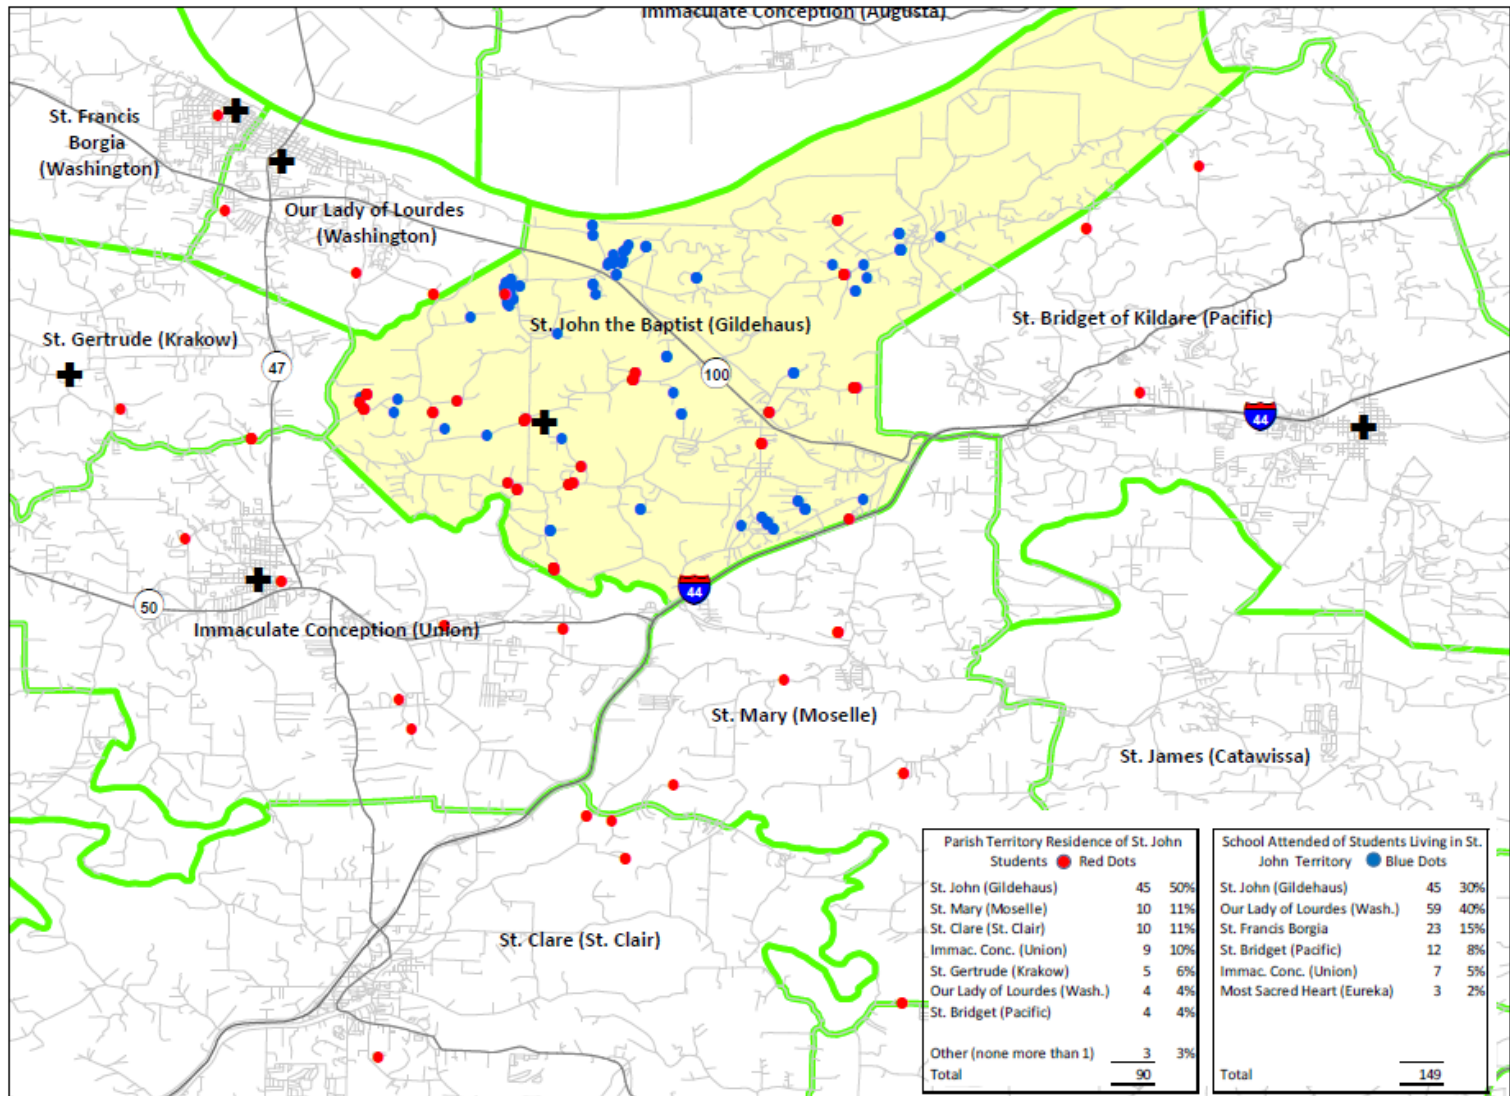

76 Percent of parishioner households live within the parish boundaries  
68 Percent of Catholic households living within the parish boundaries are parishioners

# WHERE CATHOLIC SCHOOL STUDENTS LIVE

St. John the Baptist (Gildehaus) - Residence of Students (K-8)  
2021-22

- There are many more Catholic school students in the boundaries (149) than there are students at the school (90).
- Large clusters of students in the northwestern corner of the parish area are enrolled at Our Lady of Lourdes school or St. Francis Borgia school. In fact, there are more Our Lady of Lourdes students in St. John's parish boundaries (59) than there are St. John students in the boundaries (45).

# OUR PARISH SACRAMENTAL TRENDS

## REGISTERED HOUSEHOLDS

- Registered households have grown throughout the decade to its highest number ever.

# OUR PARISH SACRAMENTAL TRENDS

## MASS ATTENDANCE

- Pre-COVID Mass attendance was strong and stable.
- Mass attendance as percent of capacity is much higher than the archdiocesan average of 33% in 2019 and 25% in 2021. This reflects, in part, the small capacity of the parish church.
- Pre-COVID Mass attendance as percent of registered parishioners was 30-35%, higher than the archdiocesan average of 27-29%.

# OUR PARISH SACRAMENTAL TRENDS

## BAPTISMS, FUNERALS, & K-8 RELIGIOUS FORMATION

- Baptisms have been relatively strong and stable over the past decade.
- The number of parishioners children have been fairly stable in the parish school.

- PSR enrollment has been stable over the past decade except for the drop in 2021.

# OUR PARISH FINANCIAL TRENDS

## OFFERTORY CONTRIBUTIONS

- Offertory contributions have been stable over the past decade.

# OUR PARISH FINANCIAL TRENDS
